Residential on 0.00 Acres

SPRINGFIELD, Bethesda, MD

As much as people want to find a great house that they love, they also prioritize finding a great neighborhood. This fine home checks both of those boxes! The home resides on a quiet cul-de-sac street in one of the best parts of Bethesda. The convenient split level floor plan has a generous table sized kitchen, a spacious living room with lots of light and a separate dining room. The dining room has French doors to a lovely screened porch overlooking a deep grassy backyard. There is also a lovely private patio.

There are three bedrooms and two updated baths on the upper level, one of which is en-suite with the primary bedroom. Half a flight of stairs down from the main level is a family room with a gas fireplace that invites easy relaxation, as well as the fourth bedroom with an ensuite bathroom. There is one more level down from there where you find another nicely finished room and the utilities.

People love this neighborhood for its convenient proximity to so many amenities. Those include the Capital Crescent Trail which affords hiking and biking into downtown Bethesda or all the way into Georgetown. Shopping at the newly developing Westbard Square is only a mile or so away and when the entire redevelopment is done, it will be a value enhancing feature for this home and the entire neighborhood. Glen Echo Park is a short drive from here, as is the Potomac River and the C&O Canal. The public school assignment is Walt Whitman High School, Pyle Middle School and the highly

regarded Wood Acres Elementary School is only a few blocks away. The ever-popular Wood Acres Park is right behind the school and offers a basketball court, tennis courts and a wide array of play equipment for younger children.

This wonderful home represents the opportunity to enjoy life in one of Bethesda's finest communities and one of the best investments of your life. Just ask the neighbors and they'll tell you!
